TO ALL WAKO MEMBERS

THEIR ADDRESSES

Dear WAKO Friends,

As President of WAKO, together with my Board of directors' members, I am very pleased of officially inviting you all to attend the 2011 WAKO World Championships in K-1 Rules, Low Kick, Light Contact, and Kick Light, which will take place in Skopje - Macedonia from 22nd - 30th of October, 2011.

Apart from the joy of your athletes of competing with the best kickboxers in the world, there are two main reasons also for you to attend. The first is the General Assembly which will take place in Hotel Alexander on October 25th and that will be fundamental to decide the Board of Directors which will run our organization for the next 4 years' mandate.

The second reason is the fact that the World Championships we are surely going to enjoy in Skopje was strongly supported by our friend Ljupco Nedelkovski. Unfortunately a sad destiny took him away from us before he could proudly host the event. So I am sure that our presence in Skopje will represent the best tribute we can make to a person who did a lot for our sport in his country and in the Balkans.

Our staff will surely guarantee a smooth running of the Championships and Skopje, with its historical surroundings and natural beauties, is one of the best location in the world for such an event like ours. All competitors, officials, referees and judges, fans and families will spend a whole week in a very friendly atmosphere and everybody will bring back home strong memories.

We are working very hard to make your staying memorable and you know we always keep our word.

Looking forward to seeing you soon in Skopje soon,

Best regards.

Ennio Falsoni

Dear WAKO Presidents, coaches and sportsmen,

As President of Macedonian Kickboxing Federation I am honoured to invite You to attend our WAKO World Kickboxing Championships.

Our country will be hosting the Senior World Championships for the first time after the very successful European Championships we organized in 2006. I hope you will test once again our trust and confidence.

Macedonia is well known as one of the most attractive countries. We are in the centre of Balkan peninsula. I am sure that all of you will be surprised for our hospitality and I hope You will take part in our Championships, where we will present kickboxing in large quantity and quality for the first time in Macedonia.

I will be honoured by Your presence. They say that Skopje is the navel of the world. In the heart of Balkan Peninsula at the crossroads of the world, it connects tradition and modernity. It is a very old city, of thousands of years of tradition and existence. Today Skopje is a beautiful and modern town with a population of over one million people. The city was mainly out slab, clamping it to the Vardar river floodplain almost as a modular unit. Among the many international architects that participated in its reconstruction was the Japanese planner Kenzo Tanga, who gave the centre a "city wall" of high/rise buildings. Today the city is still spreading in all directions and has a number of new developments. Skopje and its neighbourhood have plenty of valuable cultural and historical monuments which attract the attention of every visitor.

The famous Stone Bridge in the city square was built under the patronage of Sultan Mehmed 111 the Conqueror between 1451 and 1469, today is featured as the emblem of the city of Skopje. The Stone Bridge over the Vardar river gives access to old part of the city with its many cultural and historical monuments. On the slopes of near by Mt. Vodno, stands the famous church of St. Pantelemon from 1164, decorated with frescoes of exceptional artistic value. The church of Holy Saviour-Sveti Spas is located near the kale Fortress. It was believed that it was built in the 17th century, but the 1963 earthquake gave evidence that is actually dated from the 16th century. The 19th century iconostasis of the church of Holy Saviour is carved in walnut and combines a profusion of plant and animal motifs with the figures of saints in local costumes. After the exciting day in Skopje you can enjoy the tasteful Macedonian cuisine, delicious Macedonian wines or have fun in one of our night clubs. Because of that, I'm inviting not only sportsmen, I'm inviting their fans and also their families since we can also organize for them sightseeing tours or vacation in the nearest places.

Macedonian national team participates regularly in WAKO World and European Championships and WAKO cups. Now I do hope you will do the same: come to our country with your national teams! Let show the World how attractive our sport can be. Thanks in advance for your support and enjoy your staying in my country.

Sincerely yours,

Aleksandra Nedelkovska

STATEMENT OF RESPONSIBILITY

I recognize my responsibility for the entire behavior of the athletes on my team throughout their participation in the **2011 WAKO WORLD CHAMPIONSHIPS**.
